DOG VOLUNTEERS

Adult and Family volunteers interested in walking dogs as part of their volunteer activities must attend a dog walking class in addition to their volunteer orientations. Dog walking classes are available immediately following the adult and family volunteer orientations. Junior volunteers, however, must first volunteer for a minimum of 20 hours. Once the 20 hours are completed and the junior volunteer has received approval for their volunteer coordinator, they may attend the next scheduled dog walking class.

CAT VOLUNTEERS

All volunteers interested in volunteering in the cat department must attend a cat workshop. Cat workshops are available twice a month and usually take place on a Saturday, one week after the scheduled adult and junior volunteers orientations. Until a cat workshop has been completed, volunteers will be limited to one of our three cat adoption rooms.
